PREMATURE INFANTS AND THEIR FAMILIES

## Our Mission

High Risk Hope® is a *for purpose* organization that provides support, encouragement, information, and resources to women and families who are experiencing a high risk pregnancy resulting in hospital bed rest, potential premature birth, and neonatal intensive care after delivery.

## DEAR HIGH RISK HOPE FAMILY,

Thanks to High Risk Hope's loyal donors, volunteers, board members, staff and families, 2017 proved to be a record-breaking year on all fronts. This year, we received our largest single donation ever from Jersey Mike's Subs through the Month of Giving, which raised \$100,000 for HRH. Our HRH Baby Calendar was featured on Today.com where it received an overwhelmingly positive response from inspired families nationwide. We celebrated our sixth birthday, hired three new employees, had a record-breaking 850 Tot Trotters, and hit the \$1 million mark for funds raised since HRH's founding in 2011. Most importantly, HRH supported 1,750 families experiencing high risk pregnancy and premature birth in Florida and California this year.

The impact HRH has on these families is apparent in the countless parents who connect with us, sometimes while still in the hospital, wanting to support others experiencing the same harrowing journey. Each of the 13 HRH Calendar Baby families, when asked why they entered the contest, responded with a resounding "to give other families hope." But perhaps the biggest honor came from a HRH family with limited means who so passionately wanted to give back, that they chose their one monthly family dinner out to be on the Day of Giving at Jersey Mike's Subs when 100% of sales were donated back to HRH.

While HRH has touched the lives of over 6,700 families since 2011, tens of thousands more need our support as the premature birth rate in America continues to rise. HRH remains the only nonprofit in the nation that supports both women on hospital bed rest and families with premature infants in the NICU. With your continued support in 2018, HRH hopes to expand to several new hospitals across Florida reaching 750 more families in crisis. Thank you for your commitment to improving the health outcomes of premature babies in this community.

Sincerely,

Heather Barrow  
Founder and Board Chair

Bailey Nicholas  
Executive Director

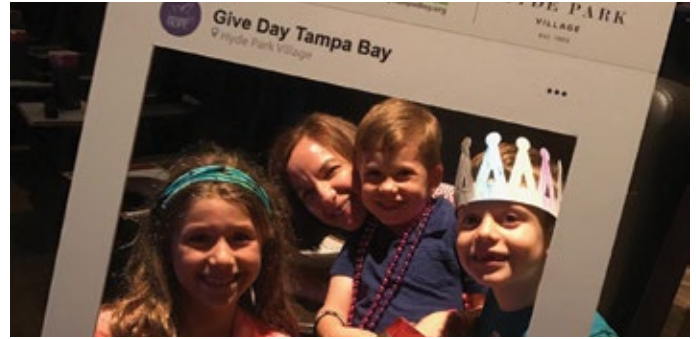

# HIGH RISK HOPE HIGHLIGHTS

## Jersey Mike's Subs Month of Giving

HRH was the Jersey Mike's Subs 2017 Month of Giving partner for 30+ West Central Florida locations. Thanks to this community and our Jersey Mike's Subs restaurant owners, HRH received \$100,000 from the 2017 Month of Giving and was invited back for 2018!

## Give Day Tampa Bay

For the fourth year in a row, HRH topped the leaderboard of 500 regional nonprofits on Give Day Tampa Bay, raising \$80,000 from 350 donors and winning \$3,500 in prizes. Thanks to our exclusive partnership with Hyde Park Village, hundreds of HRH supporters came to the Village to shop with their HRH shopping pass and celebrate at HRH's story time and a private Pirate and Princess meet and greet.

## HRH Baby Calendar

The fourth annual HRH Calendar Baby contest was a huge success! 47 babies entered, and 25,627 votes were tallied to select the HRH babies featured in this year's calendar which will be delivered to over 2,000 families in 2018. Today.com loved our calendar so much, they did a feature article spotlighting our calendar and the HRH families' inspirational stories.

## Tot Trot

HRH's fifth annual Tot Trot presented by Jersey Mike's Subs was held in November in Tampa in conjunction with World Prematurity Day. A record number 850 Tot Trotters walked, ran, and strolled down the Miracle Mile, helping to raise over \$71,000.

## HRH Team

HRH added three incredible team members in 2017. Sasha Smith began in January as our Program Coordinator. In the fall, HRH welcomed Kerri Kibbey as Director of Special Events, Marketing and Public Relations and Shannon Oras as Development Coordinator. All three have become crucial to achieving HRH's mission, and you can expect great things to come!

## NICU Milestone Cards

HRH added NICU Milestone Cards to our NICU Napsacks in 2017, and they have quickly become a HRH family favorite. The cards help document every step in a preemie's journey and celebrate their progress. NICU milestones range from first time being held to becoming a NICU grad.

# DONOR LIST

High Risk Hope extends our deepest gratitude to these generous donors who are committed to making a difference in the lives of the tiniest and most vulnerable newborns.

## PATRON

(\$50,000 - \$100,000)

Jersey Mike's Subs ☿♦

## BENEFACTORS

(\$20,000 - \$49,999)

## HRH BABY ADELINE

Adeline's mom had preeclampsia and was on hospital bed rest for 3 weeks at Sarasota Memorial Hospital before her lab work showed signs of kidney failure. Doctors delivered Adeline via C-section at 32 weeks, 2 days. She spent 21 days in the NICU as a grower/feeder, never once needing oxygen! Adeline Karys is her family's little miracle and now at 1-year-old she is full of personality and wonder.

Adeline's mom, Stephanie said, "HRH's support was one of the only things that kept my head above water during THE scariest time in my life. The calendar helped me count the days, and the little heroes and their stories gave me hope that it would all be okay. The shampoo, conditioner and the rest of the toiletries, as small as that seems, made a huge difference. Those daily showers reminded me that I wasn't becoming part of that hospital bed. The pens and coloring book were the ice breaker when my 9-year-old daughter and 3-year-old son were apprehensive of sitting next to me because of all the cords hooked up to me. The blanket was a comfort at night when I was alone and separated from my family. It made it much easier to fall asleep. And most of all the visit from the HRH volunteers, their smiles and testimonies of hope and victory were water to my parched stamina. Thank you for all you do! And I will continue to do all I can do to give back to such an organization that impacted myself and my family as much as they did."
